# Avid MediaCentral | Stream

The screenshot displays the Avid MediaCentral Collaborate interface. At the top, a toolbar contains various icons for navigation and editing. The main workspace is divided into several panels:

- Left Panel:** A list of media assets with columns for 'Name' and 'Creator'. Assets include 'BERLIN AND RAGAR', 'BULGARIA PROTEST', 'CAR 1', 'Cook\_V1-6005', 'CYPRUS BOAT AND COAST', and several 'FIRE GV51' through 'FIRE GV58' files.
- Center Panel:** A 'PLANNER' view for a project titled 'COVER THE PROTEST'. It shows a 'Date Added' sort order and a 'Descending' sort direction. Two video thumbnails are visible: one labeled 'protest ulay' and another labeled 'BULGARIA PROTE...'. A task icon for 'NBC-Virus Outbreak...' is also present.
- Right Panel:** A 'TASKS' panel with a 'POST FOR TWITTER' button and a list of task statuses: NEW, IDEA, IN PROGRESS, FOR REVIEW, REJECTED, APPROVED, COMPLETE, MARK FOR ARCHIVE, and MARK FOR DELETION.
- Preview Window:** A video preview window showing a scene of a protest with people and flags. It includes a timeline at the top with a playhead at 00:00:14:33 and playback controls below.
- Bottom Panel:** A multi-track timeline with tracks labeled V1, A1, and A2. It shows video and audio clips for 'BULGARIA PROTEST' with time markers from 00:00:30:00 to 00:01:30:00.
